

A LIGHT TO THE NATIONS THAT MAN IS YOU! – ST. JEROME CATHOLIC CHURCH SATURDAY MORNING PROGRAM

A Light to the Nations considers man in his relationship to his spouse. It takes men on a provocative journey into the spiritual reality of our time: “The family has been placed at the heart of the great struggle between good and evil, between life and death and between love and all that is opposed to love” (Pope John Paul II, Letter to Families, #23). It is modeled on the story of Job from the Old Testament.

The Fall semester sets forth the vision of the union of man and woman such that “there is none like it in all the earth.” Integrating the findings of modern medical science with the thought of Pope John Paul II, **A Light to the Nations** discovers in the spousal union a unique reflection of the mystery of the Blessed Trinity that is much deeper than more poetic words. It does not shy from considering the challenges facing marriage and discovers a “culture of death” dangerously close to the edge.

Except for Sept 10 and Sept 17, all sessions will be held in Jordan Hall.
