

In the case of an emergency, and we need to evacuate our school immediately due to a possible chemical/airborne threat to the facility, Little Lions will do everything to ensure the safety of your child/children. In the event that we are notified by the authorities that our building needs to be evacuated, we will walk the children over to the nursery in the parish office building. If our entire campus is unsafe due to an airborne leak, we will promptly call you and ask that you pick your child up from school. If we do not directly speak with you, we will not hesitate to transport your youngster to a safe place off campus. Please know that your child's safety is our number one concern.

Please sign and return bottom portion to school as soon as possible. Thank you!
