

## PHOTOGRAPH CHILD

St. Jerome LLLC periodically photographs the children while they are involved in a variety of activities that are enjoyable for everyone to see. For example, but not limited to, planting vegetables with our parish ministry "The Lord's Landscaper's" or when we have a Community Helper visit, like the Fire Fighters during Fire Safety week. We would like the opportunity to place these pictures on display in the classroom, school bulletin boards, the Little Lion's school website and at times, in one of our local newspapers.

I hereby give St. Jerome Little Lions Learning Center permission to photograph my child.
