

St. Jerome Capital Campaign Update

Campaign leadership offers a sincere thank you to those who participated in *Commitment Weekend*. The response was outstanding as more than \$120,000 in new commitments were received. Combined with the \$50,000 anonymous matching gift the weekend total increases to more than \$170,000!

As gifts and payments continue to come into the office, we're nearing 400 campaign gifts (378) with commitments totaling **\$2,587,838**. Thank you to all who have sacrificed for the good of their parish. We encourage those still contemplating their decision to contact the office if they need assistance upon deciding their commitment.
