# BEGIN NOW TO BE WHAT YOU WILL BE HEREAFTER CAMPAIGN NEWSLETTER

Love the Lord with all our hearts, minds and souls and love our neighbors as ourselves.

## VOLUNTEERS AND DONORS REMAINING ACTIVE

As the *Begin Now to Be What You Will Be Hereafter* Capital Campaign nears its final active days, donors continue to take time to visit with volunteers in making their commitment. The campaign coffers now total **\$2,305,300** in commitments from members of the St. Jerome faith family. The total includes, gift pledges, and savings designated for the campaign. There is still time remaining to make your donation. If you wish to visit with a volunteer please call the parish office at **(254) 666-7722** to arrange an appointment.

## PHONE-A-THONS UP NEXT

Next week the campaign turns its attention to the phones as it moves into the follow up phase. A round of volunteer phone calls is set for **Tuesday, September 30** from **6 p.m.-8:30 p.m.** with another scheduled a week later. If you receive a call from a volunteer please take time to visit with them and consider offering campaign support. Additional volunteers are needed for the both nights. If you'd like to help please call the parish office.

## COMMITMENT WEEKEND TO FOLLOW

In two weeks parishioners will have the opportunity to make their official campaign sacrifice during Mass. *Commitment Weekend* is scheduled for the weekend Masses of **October 11-12**. At each Mass time will be set aside to allow parishioners to fill out a commitment card. A variety of options are on the card including one designated for those who've already made their commitment.

## ONLINE GIVING

Parishioners who chose to fulfill their commitment through the parish's online giving option may arrange to do so beginning **Wednesday, October 1**. For more information call the parish office or visit online at [www.stjeromewaco.org](http://www.stjeromewaco.org).

*"Every man shall give as he is able, according to the blessing of the LORD your God which he has given you."*
